## **STREET REHABILITATION PROGRAM PHASE 7**

Phase 7 of the Street Rehabilitation Program is now under way. The tentative schedule for the next portion of street work is follows:

- 1) Sabine from Alazan to Broadway  
Cement treatment on January 31, 2008  
Seal Coat on February 4, 2008
  
- 2) Oak Ridge from Wildcat to Memorial Parkway:  
Cement treatment on February 1, 2008  
Seal Coat on February 4, 2008

During construction, portions of these streets will be closed, but will reopen at the end of the day.

*Please drive carefully.*
